Our heartfelt thanks... your generous donations change lives!

Our thanks to our generous donors! Each of you have made a difference in our community - helped people in our community to have a hand up, an opportunity for a better life for themselves and their children - thank you! We hope you are proud to be a part of the YWCA Clinton Family, in providing a home for homeless families, helping many at risk of losing their homes stay in their homes, giving children in need access to quality early education and care, providing enriching experiences for area youth-at-risk, an active retirement for seniors, a training ground for Special Olympians, and so much more. Thank you for entrusting us with your precious donation dollars-- you have made a difference!

To learn more about events, volunteer opportunities, or to make a donation, please contact me or Gabi, our Development & Marketing Director. Thank you for making a difference in our community!
